

## **MEDIA RELEASE**

### **Womens Health Services At Schs**

Wednesday June 21 2017

---

Jo Collins, Women's Health Nurse at SCHS is interested in promoting the SCHS Women's Health Services and in particular pap testing and cervical screening.

In December 2017 new pap testing and cervical screening will commence. Mrs Collins can advise who needs to have the test and provide information about the Human Papilloma Virus (HPV) and other information relevant to Women's Health.

Further information on this subject can also be obtained from the following organisations:

- Pap Screen Victoria
- Cancer Council Victoria
- Victorian Cytology
