<b>PRIMARY OBJECTIVES</b>	<p><b>THE ORGANISATION</b></p> <p>Sunraysia Community Health Services (SCHS) is a service providing primary and preventive care for our community members who are at risk of poor health outcomes, and experience health disparities. SCHS understands the influence of the Social Determinants of Health (SDoH) upon health inequities experienced by community members. The centrepiece of care at SCHS is providing a client relationship based care coordination approach, that identifies and attempts to address the SDoH for clients, work with consumers and community members, to structure their care around the context in which they live and work.</p> <p><b>THE PROGRAM</b></p> <p>HomeBase Integrated Youth Health Services program has been designed to deliver holistic and engaging services to young people and their families that consider the social determinants of health, in a relationship and trauma informed model of care. Homebase began in 2018 as a co-design program where young people could access a safe place, free from violence, drugs and alcohol with trusted adults who are working in a trauma informed care and relationship based model. HomeBase Integrated Youth Health Services program had grown to include AOD Youth Outreach workers, HomeBase Health clinicians, HomeBase Youth Workers, HomeBase Activities, HomeBase Hoops and HomeBase Social Enterprises, allowing young people to develop trusted relationships with clinical youth services staff to facilitate equitable access to broader health and well-being services.</p> <p>HomeBase Activities is an out of hours program for young people aged 10 to 17 years and provides opportunities for young people to improve physical and mental well being through social connections and meaningful activities.</p> <p>As part of the HomeBase Integrated Youth Health Services team the HomeBase Health Clinician will support the broader programs including:</p> <ul style="list-style-type: none"> <li>• Youth AOD Recovery and Support program that considers relapse prevention, early intervention and harm reduction strategies.</li> <li>• Youth (AOD) Accommodation and Support Program</li> <li>• Youth AOD Outreach program.</li> <li>• Home Base Activities</li> <li>• Home Base Hoops</li> <li>• Home Base Social Enterprise</li> </ul> <p><b>POSITION PURPOSE</b></p> <p>The HomeBase Health Clinician will work in the HomeBase Integrated Youth Health Services program with a specific focus on providing Individual or group based health and wellbeing interventions to young people and their family. The HomeBase Health Clinician will have a clinical skill set including but not limited to: Counsellor; Psychologist (or Provisional); Social Work; Mental Health Nurse; Registered Nurse; or Occupational Therapist. They will provide support to young people and their family within their scope of practice, working in a multidisciplinary team approach, referring on to appropriate services as required.</p> <p>The HomeBase Health Clinician will work in HomeBase Activities and Hoops which are provided in the afternoon and early evening.</p>
