<p>Jacqui Minnis Speech Pathologist (SP)</p> <p>Can be contacted via email Jacqui.Minnis@ndch.org.au</p>	<p>Emma Douglass Speech Pathologist (SP)</p> <p>Can be contacted via email edouglass@schs.com.au</p>	<p>Jacinta Allen Social Worker (SW)</p> <p>Can be contacted via email jallen@schs.com.au</p>
<p>Jacqui is a speech pathologist with experience working in primary schools, kindergartens, private practice, and community health settings. Jacqui is enthusiastic about working with children and the adults in their lives to develop strong communication skills. She moved back to the Mallee region in 2016 after several years in Gippsland and is excited to be providing support to rural communities.</p>	<p>Emma is a Speech Pathologist who has worked across various settings including the Acute and Rehab Hospital settings, Specialist School, Early Intervention and the Regional Communication Service – a program for Adults with a Complex Communication Need. Emma has enjoyed the initiation into the DET program and continues to look forward to working with teachers to build their capacity in the areas of speech and language development, with a particular interest in Key Word Sign.</p>	<p>Jacinta is a social worker with almost thirty years' experience across a range of settings including parent and family support, generic counselling, mental health, education, disability and community development. She is passionate about supporting the mental health of children and adolescents, particularly through an attachment-based, trauma informed approach with parents. She has trained in play therapy and family therapy and uses the principals of these skills with the families she engages with.</p>
