<b>PRIMARY OBJECTIVES</b>	<p><b>THE ORGANISATION</b></p> <p>Sunraysia Community Health Services (SCHS) is a service providing primary and preventive care for our community members who are at risk of poor health outcomes, and experience health disparities. SCHS understands the influence of the Social Determinants of Health (SDoH) upon health inequities experienced by community members. The centrepiece of care at SCHS is providing a client relationship based care coordination approach, that identifies and attempts to address the SDoH for clients, work with consumers and community members, to structure their care around the context in which they live and work.</p> <p><b>THE PROGRAM</b></p> <p>The Public Dental Service based at Sunraysia Community Health Service services the Loddon Mallee area. We are equipped with state of the art facilities to meet dental needs of the clients ranging from simple to surgical extractions and restorations under local anaesthetic. The clinic also provides endodontics, crowns/bridges, full or partial dentures, mouthguards, and nightguards. The dental clinic is also heavily involved in training dental students from La Trobe University in various procedures.</p> <p><b>POSITION PURPOSE</b></p> <p>As part of the multidisciplinary dental team, the dental assistant will provide high quality dental care, support and education to all eligible clients attending the public dental service. As the Public Dental Service at SCHS is a teaching clinic the dental assistant will be providing support to both registered dentists as well as with La Trobe Dental and OHT students while they complete supervised practice hours. Clinical support will be delivered primarily onsite at our Thirteenth Street Campus but there may be occasions where off-site support will be required to assist in delivery of programs such as DHSV Smile Squad.</p>
