

MEDIA RELEASE

Sunraysia Community Health the local COVID-19 contact

23/03/2020

For immediate release

Residents of Sunraysia with questions or concerns regarding the local response to COVID-19 can contact a dedicated hotline managed by Sunraysia Community Health Services (SCHS) effective immediately.

This hotline has been established in response to a high number of phone calls and requests for information by other local services and will ensure consistency of information and advice regarding impacts for our local community.

The SCHS COVID-19 (coronavirus) hotline number is **5021 7653**. This line will be open from Monday to Friday between the hours of 9am-12pm and 1pm-4pm.

General information regarding COVID-19 should be directed to the Department of Health and Human Services (DHHS) hotline in the first instance.

For further information visit www.dhhs.vic.gov.au/coronavirus or phone the Coronavirus Health Information Line on 1800 020 080.
