## **VISION**

Health and social equity for our communities.

## **MISSION**

To explore and deliver innovative solutions to health and social needs.

## **VALUES**

Compassion
Justice
Excellence
Accountability
Collaboration

High quality, timely, safe and appropriate services that are person-centred and meet client's needs.

Clients are at the centre of our thinking

People at their best

Harnessing diversity and capabilities of our people and integrating our efforts through

high performing teams

We will ensure that SCHS has the financial resources and human capital to develop and sustain a visionary agenda into the future.

Our long-term sustainability **OUR GOALS** 

Innovation for excellence

Our community's wellbeing

We will generate and adopt leading practices for innovative health solutions We will engage and work in partnership with our communities and other providers to address the social determinants of health within our area.

Sunraysia Community Health Services

Strategic Plan

2019 - 2021

We provide health services within a social model of health. This means we understand that social, cultural, political, environmental, and physical factors all contribute to health and well-being.
