

Strategic Plan 2021-2023

Our vision

Health and social equity for our community

Our purpose (mission)

To explore and deliver innovative solutions to health and social needs.

Our guiding principles (values)

- We treat people with empathy, respect and dignity and we care about our clients, our people and our community.
- We promote equity, peace and a genuine respect for people in our community.
- We are prepared for change and strive for continuous learning and quality improvement.
- We commit to responsible and open decision-making, taking responsibility for our decisions and actions, being reflective and open to feedback.
- We work as a team and actively communicate and build constructive relationships to achieve positive outcomes.

Our strategic priorities in 2021 (goals)

Provide high quality, timely, safe and appropriate services that are person-centred and meet **client's** needs.

Engage and work in partnership with our **community** and other providers to address the social determinants of health.

Harness the diversity and capability of our **people** and integrate our efforts through high performing teams.

Generate and adopt leading practices for **innovative** health solutions.

Ensure that we have the financial resources and human capital to develop and **sustain** a visionary agenda into the future.
